Llandovery Fatstock Mart 28/10/26

Llandovery again proving to be a consistent market for trade weekly. Lambs average 327.41ppk or £134. Competition was fierce on the standard weight lambs and clean lambs up to 40kgs. Strong lambs were up on the week with well bred and fed continental lambs the order of the day in all weight categories.

Store lambs were on fire with smart little 30kgs making £119 and other making up to £149. More needed in this section weekly, but please advise of entries.

Ewes had a reduced entry but met with great competition from 8 different purchasers. Lean big ewes was the order of the day.
