Foreword

A good catalogue has been put together, although unfortunately we have a reduced entry of calves on offer compared to previous years, due to a number of our regular vendors being TB restricted. Nevertheless another great show of cattle will be on offer this year, and we look forward to welcoming you all.

This year's sale will also include the Complete Herd Dispersal On Behalf of GLW & SC & IS & L Williams, Llwynbedw Farm, comprising of their cows and calves. We would like to take this opportunity to sincerely thank the Williams family for their loyal support and valued custom over many years. It is always sad to see a long-standing farming family disperse their herd, and we wish them all the very best for the future. We sincerely hope their cattle meet with the strong trade they deserve.

We thank all our vendors and purchasers for their continued support and look forward to seeing you all on sale day.
