NEW SEASON LAMBS (736)

NEW SEASON LAMBS (736)

A smaller number forward this week and definitely a lesser quality entry forward. Trade firmed last week and this week's trade would be very similar to last week. Best trade for the 42-46kg lambs that are well covered with prices generally £142-158 per head. The 47-50kg lambs generally £155-165 per head; the 51-55kg lambs generally £158-175 and the 56kg plus lambs generally £175-200 per head. The lighter and leaner lambs were again well wanted following the strong store lamb trade, showing their "confidence" in the prime lamb trade going forward.
