NEW SEASON LAMBS (710)

NEW SEASON LAMBS (710)

A shorter entry of 710 lambs forward this week met a slightly lesser trade on the day. Lighter 40-45kg lambs a stand on trade with these keenly bid for. Plenty of demand up to 47/8kg but then a harder trade for those in-between 49kg-53/4kg with very little premium for the extra weight. Higher prices on the week for super heavies when well bred and finished. Noticeable that short coated and bellied lambs saw rewards and we encourage this where possible now the weather has turned.

Topping the New Season Lamb market this week was seen for Messrs MAF Roberts & AL Phillips of Dulverton for their pen of 68kg lambs achieving £205.00. £200.00 was seen for Messrs TL Dennis & Partners of Chulmleigh for their pen of 63.3kg lambs, the same vendor had further pens of 59.1kg lambs and 58kg lambs to £188.50. £185.00 was seen for Messrs CN Williams & Son of Withypool for their pen of 59kg lambs. £180.00 was seen twice this week, firstly for Messrs RJ & AD Nicholls of West Anstey for their pen of 57kg lambs and secondly for Messrs RJ & MS Radford for their pen of 60kg lambs. £179.50 was seen for Messrs W Moore & Sons of Rackenford for their pen of 56.2kg lambs. £177.00 was seen twice this week, firstly for Messrs J & J Watts of Goodleigh for their pen of 56kg lambs and secondly for Messrs DJ Woollacott of South Molton for their pen of 56.2kg lambs.
